Engineering and Mining Journal

Index to Volume 139

JANUARY TO DECEMBER

1938

THE general index to this volume is preceded by a list of the editorials published in the volume, and is followed by an index of authors. In the general index editorials are denoted by the letter "e" and news items by the letter "n."

Editorials

Appropriations for the Bureau of Mines Jan. 27
Assessment work should be performed Apr. 30
Break in silver....Apr. 29
Canadian trade treaty puzzles zinc producers ....Dec. 29
Centenary of Vielle-Montagne....Jan. 28
Certified-check swindlers ....Jan. 28
Does placer mining kill fish?....Oct. 28
Economics for engineers....Mar. 27
Electrostatic separation comes back. Mar. 28
Emanuel Swedenborg—mine assessor Jan. 28
Engineers launch economic forum. June 28
